

# WISH

# WORKING IMMIGRANT SAFETY AND HEALTH COALITION

## Free training on health and safety!

With a focus on:

- chemical hazards
- training you to train others in your workplace or community

**Two day training: February 9 and 16, 2006, 9 - 5 PM**  
**Freedom Archives**  
**522 Valencia St.**  
**San Francisco, CA 94110**

### YOU'LL LEARN HOW TO:

- Identify and investigate chemical hazards on the job
- Think about appropriate solutions and ways to negotiate or problem solve to achieve these solutions
- Plan and deliver a short training or workshop on health and safety hazards

### ABOUT THE TRAINING

This training will be taught using participatory methods so workers/participants will share their own experiences. Lunch is provided.

### PLEASE NOTE:

- Interpretation into Spanish and Chinese is available
- There are some stipends available to help workers attend the training

Please let us know if you will need either of these.

### WHAT YOU'LL GET

- **Experience:** Opportunity to practice what you've learned and facilitate an activity
- **Materials and Resources:** Information and materials in English, Spanish and Chinese
- **Network:** Opportunity to share ideas and strategies with workers and leaders from other WISH member organizations
- **Follow-up:** LOHP staff will be available to provide ongoing consultation and support if you want to carry out a small health and safety project after the training -- there are also a few stipends of \$200 - \$300 for organizations to do this.

**ENROLLMENT IS LIMITED! PLEASE REPLY BY JANUARY 18, 2006**

**For more info.**
