raffle follows  
Arcata Theatre Lounge  
\$3 donation, all-ages

Ride along with Rob, Benji, Barney and Donovan on planes, vans and a bullet train as they search for waves in the land of the rising sun...

plus

### The Baja Wave Documente

How an unlikely alliance of surfers and fishermen successfully saved some of Baja's most iconic spots from some of Mexico's most powerful government-sponsored developers. Directed by veteran Hollywood film editor Chris Figler, portrays the efforts of WiLDCOAST to preserve the last wild coastlines of the peninsula.

**WILDCOAST**  
**COSTASALVAJE**
