Dear Chelsea,

you are my hero! Not just mine,
many many of us honor you, for your
immense courage!

So sorry for what you're going
through, that has driven you to try to
take your life. It would just destroy
so many of us, if you succeeded! Please
hold on!

We in the Bay Area of California, have
gatherings + vigils for you. On the other
side of this letter is the leaflet we hand
out at our Friday vigil - every Friday
in the Fruitvale area of Oakland.
We hand out around 50 every Friday,
and we have posters of you + Julian
plastered on the fence behind us.

We love you! Thank you so much
for what you've done! Hold on, dear one
