

BIKE!

AGAINST WAR

The day after war starts*, bring your bike downtown to join mobile direct actions! Hundreds of bicyclists will occupy streets in the downtown area — we will provide a powerful presence that says **NO to War! No to Oil Dependency! No Business As Usual!** And we will provide mobile support for the many stationary actions.

The **First Business Day** After War is Declared:

BRING YOUR BIKE DOWNTOWN!

We will TRY to be at these locations at the following times:

7:00am Justin Herman Plaza

9:00am UN Plaza Fountain
at Civic Center

12:00pm UN Plaza Fountain
at Civic Center

5:00pm Justin Herman Plaza

* that's the first BUSINESS day after war is declared.

GET INVOLVED! CHANGE THE WORLD!
