

Wave of Provocations, Insults and Libel against Holy Prophet Muhammad (p.b.u.h) Sweeps America.

University of Washington Muslim Students Association unavailable for comment on recent campus hate crime

SEATTLE, Feb. 6 (Al-Masakin)—libelous caricature insulting the Holy Prophet Muhammad, salah lahu alaihi wasallam, God's final messenger, have appeared on the University of Washington campus in Seattle.

The leaflet being anonymously distributed on campus declares "Free Speech" at the top followed by a graphic insult to Islam and rasulallah followed by a quote from Wendell Philips which declares, inter alia, that "no religion has the right to tell another what to say...what images to display or what images not to display."

In addition to this the *Telluride Daily News* has reported that Johnny Sunshine Designs of Denver of Colorado is preparing to release offensive "Muhammad is Gay" merchandise for Telluride's Gay Ski Week. The merchandise, ranging from t-shirts to coffee mugs, are to be released this week and feature the Prophet of Islam engaging in sodomy.
