

The Honorable Condoleezza Rice
Secretary of State
U.S. Department of State
2201 C Street Northwest
Washington, DC 20520

Dear Secretary Rice:

We the undersigned support Amnesty International's call on the United States and other world governments to work towards an immediate, full and effective ceasefire to protect civilians on both sides of the conflict in Israel and Lebanon. Amnesty International also demands that all governments stop the supply of arms to all parties to the conflict. In these circumstances a ceasefire, and a suspension of arms transfers, represent the most effective means of creating the conditions in which protection of the civilian population can be guaranteed.
