- **Call for Local Community Actions**
(Local org's and groups organizing local events)

Recent ICE community and workplace raids have been terrorizing the immigrant community and ripping families apart.

We call for an end to all ICE raids and for regional and local authorities to publicly oppose detentions and deportations and ensure the safety of our communities.

More than ever we need a fair and just immigration law that will allow immigrants the ability to reunite and remain with their families.

Detailed Schedule of Activities Forthcoming!
