

SAVE COYOTE VALLEY!

HELP PROTECT SANTA CLARA COUNTY'S LAST REMAINING FARMLAND!

COYOTE VALLEY IS A BEAUTIFUL STRETCH OF LAND BETWEEN MORGAN HILL AND SAN JOSE. IT IS A WILDLIFE CORRIDOR BETWEEN THE DIABLO RANGE IN THE EAST AND SANTA CRUZ MOUNTAINS IN THE WEST, AN IMPORTANT RESOURCE FOR WILDLIFE POPULATIONS IN THESE AREAS. THE VALLEY HAS MANY LISTED SPECIES THAT NEED TO BE PROTECTED, LIKE THE TULE ELK, NORTH AMERICAN BADGER, BURROWING OWL, CALIFORNIA TIGER SALAMANDER, RED LEGGED FROG, AND BAY CHECKERSPOT BUTTERFLY. THE COYOTE VALLEY SPECIFIC PLAN INCLUDES 25,000 NEW RESIDENTIAL UNITS, WHICH WILL BRING 80,000 PEOPLE TO THE AREA. THIS IS THE EQUIVALENT OF A CITY THE SIZE OF MOUNTAIN VIEW! THIS PLAN ALSO INCLUDES AN ARTIFICIAL, 55-ACRE LAKE, A GLARING EXAMPLE OF ENVIRONMENTAL NEGLIGENCE.
