DAME PA' MATA LA

Who are Dame Pa Matala?

During times of change, contradictions and revolution, a band emerges in Venezuela with an innovative sound, breaking stereotypes by mixing Venezuelan, Caribbean and African rhythms with the power of hip-hop. Sincere and straight lyrics, with humor, humanism, ideology, and contagious happiness, their songs are full of eloquence and symbolism, through which they uncover the current Venezuelan and world reality. Songs that break paradigms, straight and clear lyrics as pure as water, badly needed in this turbulent times.

That's "Dame pa' Matala".
