Dropout kNOw More

FREE COMMUNITY EVENT

Did you know close to 40 % of our Fresno Unified School District students are dropping out?! We are Californians For Justice, a non profit grassroots organization fighting to better our schools and help reduce the drop out rate. Our vision is to ensure that FUSD graduates 100% of students. By strengthening communication, faculty support, and youth engagement we believe this goal is possible.

Where: Calwa Park - 4545 E. Church Ave. (Between Maple & Cedar)

Times: August 11 - 5:30 PM - 7:30 PM

Why: We want to create awareness in the community about the dropout rates that are affecting not only the youth today but the youth of tomorrow.
