

Unlayering the Middle East War Agenda: Making Sense of Absurdities

Preamble

This is a response to the [unforensic focus](#) on the Middle East War Agenda which permeates the alternate media even today, well into the 10th year of the *New Pearl Harbor*, orchestrated like the Nazi's *Operation Canned Goods* to ***“goosestep the herrenvolk across international frontiers”*** – first into Afghanistan, Iraq, gradually inching its way throughout the *arc of crisis*, next target: the [Crescent of Crisis, Iran](#). Time magazine had quoted Zbigniew Brzezinski self-servingly presaging these very events in 1979 at the cusp of the Iranian Revolution: ***“An arc of crisis stretches along the shores of the Indian Ocean, with fragile social and political structures in a region of vital importance to us threatened with fragmentation. The resulting political chaos could well be filled by elements hostile to our values and sympathetic to our adversaries.”*** (U.S. National Security Advisor to President Jimmy Carter, Zbigniew Brzezinski, Time, Jan. 15, 1979)

It was in the same year that President Jimmy Carter's National Security Advisor, waging a clandestine proxy war upon the USSR, had started giving covert aid to the CIA backed Afghan mercenaries (later renamed “Mujahideens”) to foment sufficient agitation at the flank of the USSR to provoke a Soviet Intervention in Afghanistan to protect their own hegemonic interests: ***“According to the official version of history, CIA aid to the Mujahadeen began during 1980, that is to say, after the Soviet army invaded Afghanistan, 24 Dec 1979. But the reality, secretly guarded until now, is completely otherwise Indeed, it was July 3, 1979 that President Carter signed the first directive for secret aid to the opponents of the pro-Soviet regime in Kabul. And that very day, I wrote a note to the president in which I explained to him that in my opinion this aid was going to induce a Soviet military intervention.”*** After the Soviet Union had taken the bait and invaded, blood-thirsty murderer playing chess in other peoples' blood, Dr. Zbigniew Brzezinski confessed in 1998 that he again wrote to Jimmy Carter back in December 1979: ***“The day that the Soviets officially crossed the border, I wrote to President Carter. We now have the opportunity***

of giving to the USSR its Vietnam war. Indeed, for almost 10 years, Moscow had to carry on a war unsupportable by the government, a conflict that brought about the demoralization and finally the breakup of the Soviet empire. (1998 interview to French magazine *Le Nouvel Observateur*)

Thus, the *arc of crisis* which Brzezinski had glibly predicted in January 1979, was firmly seeded by [January 1980](#) as the *Carter Doctrine*, otherwise known as “***God is on your side***”, to set it all ablaze in the coming future. Sufficiently implanted with the necessary explosive mix of religion, “jihad”, hostage crisis, Iranian Revolution, Soviet intervention in Afghanistan, drug trade, and sectarian fanaticism unleashed in Pakistan by the hanging-judge-military dictator General Zia Ul Haq installed there by the Carter White House in support of the CIA cultivating and harvesting “Islamic Mujahideens” to fight the USSR, it didn't take much ignition beyond the priming. The fire quickly became self-sustaining as new recruits grew up in the lighted cauldron and couldn't easily distinguish their head from their ass – especially with the Pakistan military being in full collusion with the CIA in screwing both Pakistan and Afghanistan society on the Grand Chessboard. Today, these war criminals pat themselves on the back for destroying the USSR with Muslim and Afghani blood costing the complete destruction of what was previously a still stable Afghani and Pakistani society – but they'll all hang someday even if their carcass has to be dragged out from six feet under. In 1996, Zbigniew Brzezinski renamed the *arc of crisis* in his next geostrategy book *The Grand Chessboard*, with an even more imposing epithet, “***the global zone of percolating violence***”, illustrating with maps galore the *arc of crisis* for those still uninitiated into the vagaries of the exercise of ***American Primacy and Its Geostrategic Initiatives*** of the sole unchallenged superpower. (page 53)

That foretold future – explicitly and very publicly presaged in 1979 in a popular weekly magazine read by all and sundry not just in the United States, but in the entire world – fully unleashed by the *New Pearl Harbor* on September 11, 2001, had the former US Secretary of State Condoleezza Rice self-righteously justify the purpose of America's hegemonic cultivation of “***the global zone of percolating violence***” in 2006 in these sacred words: “***What we're seeing here, in a sense, is...the birth pangs of a new Middle East and whatever we do, we have to be certain that we're pushing forward to the new Middle East, not going back to the old one.***” (U.S. Secretary of State to George W. Bush, Condoleezza Rice, July 21, 2006)

All the preceding is what the blood thirsty hectoring hegemons have themselves narrated.

But comparing their narration to empiricism tells a slightly different story.

That War Agenda today to “**birth pangs of a new Middle East**” is still variously blamed upon:

- the Zionist agenda for *Eretz Yisrael*,
- and/or upon the sole superpower's *Primacy and Its Geostrategic Initiatives* to preemptively acquire and extract the natural resources in the Middle East and Central Asia before any other nation or group of nations can rise to challenge its dominance.

The former Zionist agenda is pitched as the ungodly wars waged by the Jewish neoconservatives who dominate Washington, blueprinted in their PNAC and other Wolfowitz drawn strategy documents for *Securing the Jews-only Realm*.

The latter superpower agenda is pitched as the wars of primacy for America's sole preeminence, blueprinted in Zbigniew Brzezinski's *The Grand Chessboard* and in Pentagon's many *Joint Vision* strategy documents.

Both premise, while appearing sensible in 2003 when I too employed them in my maiden book *Prisoners of the Cave*, in the light of today's empiricism outright lead to absurdities.

America is going bankrupt due to these global wars with rising national debt which now stands in the 13 trillion dollar range as officially reported by the US Treasury, and its budget deficit this year, 2011, is 1.4 trillion dollars. This means America has to borrow, i.e., have its central bank the Federal Reserve print, 40 cents for every dollar it spends, thus also commensurately increasing the national debt and the burden upon the already suffering American tax payer.

What sort of idiotic primacy agenda for *preeminence* is that?

The United States hasn't been able to extract any of the natural resources either from the Middle East and Central Asian soils anymore than she was already extracting previously – as much as it wanted – with its own coddled dictators firmly in power.

Why did she need to wage murderous wars to decimate the region to remove its own cultivated dictators?

It also sure hasn't been good for the Anglo-American oil companies – they can't do business when the region is torn asunder by the cycle of [insurgency and counter-insurgency](#)

manufactured by the Anglo-American Allies themselves. Same in Afghanistan – no pipelines, only the so called *quagmires*, as even the mainstream news of the United States puts it.

As for Israel, if *Eretz Yisrael* is the principal reason for decimating Iraq with millions of tons of Depleted Uranium munitions, destroying its fertile top soils and bountiful water tables, not to mention the ancient DNA of its inhabitants, and with only immense hatred and ire of its millions of Arabs now irretrievably implanted to greet the Zionist from Israel if they ever set foot onto its soil for resettlement, then the Jews can't really occupy that land for themselves now can they?

What did the Israelis really gain by brutally removing the servile Iraqi puppet of their own client state, the United States?

Only chaos in the region!

What Zionistan's founding father, David Ben Gurion, would have easily called “**revolutionary times**”. Well, according to that science of hegemonic conquest, these chaos-like conditions in the Middle East have also only created more fertile grounds to administer further mind-fcks to the natives because “**what is inconceivable in normal times is possible in revolutionary times**”.

What other benefit? Perhaps some smaller equally compliant but unstable ethnic principalities carved out of the former equally compliant monolithic and stable Iraq, which today lies in ruin.

But wait, NO Eretz Yisrael!

Only enormous hatred for Israel, and America.

What an agenda for *preeminence*!

Only the *keystone cops* could have blueprinted it.

Hmmm....

Reality is almost like an onion.

Comes in layers.

The outer layer, when peeled, shows the next inner layer.

And so on down to the core.

It is difficult to get to the core of reality, without first unpeeling it, layer by layer.

The empirical fact however is that it is not mentioned in the mainstream, and by many others in dissentstream either, because the conspiracy is to not even acknowledge that the onion exists at all for social engineering of *'United we Stand'* and *'introducing beneficial cognitive diversity'* to mislead the public.

But the outer layer of the onion is not the entire onion, however persuasive and inviting it may appear!

These are mere labels, the neocons, neoconservatives, neo-cons, they mean nothing by themselves.

America has been involved in warfare from Wounded Knee to Afghanistan, and before WWII, there were no neo-cons by that name.

So how does one explain America's vast military-industrial-academe-media complex which is what actually wages the wars? How does one explain America's *national security state*?

But why do they wage wars?

For Israel?

The focus on Israel, and the Jewish Lobby, in my view, can at times be a gigantic red herring. See: "[Pamphlet: How To Return to Palestine](#)", and "[The white man's burden still looks white in color!](#)". The real focus must remain on the oligarchy which funds all sides of wars, and have been doing so for 250 years, and for what eventual purpose?

The War on Terror, the war on Afghanistan, the war on Iraq, the war on Pakistan, the war on Iran, on whatever mantras and asinine pretexts, by themselves make no sense – as the war of neo-conservatism – and it is easy to pin it upon the most visible harbingers for their most obvious motives! The outer layer of the onion.

And what about the [silent economic wars](#) of *neo-liberalism* – aka *free trade*?

Thomas Friedman best captured the interplay of these two sides of the imperial coin – the thunderous wars of *shock and awe*, and the matching silent wars of hunger and deprivations due to the loot and plunder of global natural resources via the stranglehold of contrived third world debt – in his 1999 New York Times column titled [Manifesto for a Fast World](#): ***“The hidden hand of the market will never work without a hidden fist -- McDonald's cannot flourish without McDonnell Douglas, the builder of the F-15. And the hidden fist that keeps the world safe for Silicon Valley's technologies is called the United States Army, Air Force, Navy and Marine Corps.”***

But peel down behind both types of wars, behind both philosophies of primacy which are as old as hegemony, as old as mankind, and we get World Government.

Global Governance would not be possible without the transformative abilities of these wars which seed controlled chaos, deprivations, disenfranchisement, and fabricated public appeals to authorities to resolve matters. Which of course they subsequently do, with greater and greater centralization of powers into the private hands of the same oligarchy who create the very crises for which they ex post facto present their own preferred solutions. See: [Response to Financial Times Gideon Rachman's 'And now for a world government'](#).

David Ben Gurion aptly described this Machiavellian *modus operandi* as ***“what is inconceivable in normal times is possible in revolutionary times”***.

The unlayering is important to get to the heart of the matter, quickly, before it is too late. And one of the reason it is not unlayered in time, is to seed *fait accompli*. That is the [master political science](#). To understand this political science which is time-critical and which is what enables only narrating these matters ex post facto, see: [“Of Ostriches and Rebels on The Hard Road to World Order”](#).

That too, by itself, is still not the inner most core of the onion, only the next layer down, but it already demonstrates that focus on the outer layer of the onion of reality, the visible reality, makes for a great red herring.

No one in Plato's cave can ever figure out the reality behind the images on the screen, by examining, and in no matter what excruciating a scholarship, the images on the screen before them.

That is why the outer layer of the onion, whether one sees the onion at all or not, is often pointless garbage.

Whenever I cook dinner at home, I always throw away the outer layer of the onion, it tastes terrible :-)

Thank you.
