

**DEFEND THE BILL OF RIGHTS
AND OUR CIVIL LIBERTIES!
OPPOSE THE NDAA NOW!!**

S 1867, the National Defense Authorization Act (NDAA), may come up for a vote in Congress any day now. Section 1031 of the NDAA authorizes the US military to detain and hold, indefinitely, any person, anywhere in the world, who is SUSPECTED of being a terrorist.

This would apply to US citizens within the United States!

People arrested under this law will have no legal representation, need not be charged with a specific crime, and will not have access to any legal proceedings to determine their guilt or innocence.

Both the House of Representatives and the US Senate have approved the NDAA. WE MUST LET THEM KNOW THAT WE OPPOSE THIS LAW & WANT TO PRESERVE OUR CIVIL LIBERTIES!

Please contact your federal legislators and let them know that NDAA is a blatant violation of our civil liberties under the Bill of Rights.

Call: Representative Pelosi: 415-556-4862 or 202-225-4965
Senator Boxer: 415-403-0100 or 202-224-3553 • Senator Feinstein:
415-393-0707 or (202) 224-3841. Email President Obama at:

OUR BILL OF RIGHTS GUARANTEES US THE RIGHT TO DUE AND FAIR PROCESS—i.e., TO HAVE A PUBLIC TRIAL AND LEGAL REPRESENTATION, TO BE INFORMED OF CHARGES AGAINST US, AND TO CONFRONT WITNESSES AGAINST US. THE NDAA WOULD STRIP AWAY THESE BASIC RIGHTS.

**TELL CONGRESS AND THE PRESIDENT THAT
YOU OPPOSE THE “NATIONAL DEFENSE
AUTHORIZATION ACT” AND THAT YOU WANT
TO PRESERVE THE BILL OF RIGHTS AND OUR
CIVIL LIBERTIES!**
