re: Take Back Santa Cruz tracks me down to my home, threatening to kill me, opening criminal violation of civil rights campaign

I communicated with the FBI about Take Back Santa Cruz (TBSC) being a domestic terror group, connected to the U.S. military through Col. Ed Lebnowicz, which has infiltrated the Santa Cruz Police Department (SCPD), the Santa Cruz Sheriff's Office (SCSO), the Santa Cruz City Council which has TBSC members, the County of Santa Cruz which contracted with The Clean Team (a TBSC incestuous twin which shares common members), with The John Stewart

Company through Mission Gardens criminal Robin Jansen (who is a TBSC member) and Maya Powis (JSCO Regional Supervisor in TBSC members' Facebook group Santa Cruz Hall of Shame), and with PredPol which is connected to alleged TBSC supported County Supervisor Ryan Coonerty, alleged SCPD TBSC operative Steve Clark and alleged TBSC supporter Zach Friend involved with them in apparent fraud, cronyism and political corruption.

As per the forwarded email, TBSC stalkers conspired yesterday with (death) threats to terrorize me, cause me physical and emotional harm, exacerbate my disabilities, impede my advocacy for disabled homeless people, and to scare my landlord so that they would evict me, making me homeless.

**On Friday afternoon, TBSC member Ed Natol made a cryptic post portending an expected event which he was gloating about. On Friday night, a death threat appeared on the Topix Santa Cruz Forum. Then when I returned home on Saturday after visiting my sister, I found the threatening note beneath more doorstep. How did TBSC discover where I lived? I had only given't out my address to the FBI to ensure my safety. They must have tailed my sister (who was looking for a tail and parked around the corner from where I live). They might have employed a private investigator. This mirrors other events where TBSC members have taken our pictures, video recorded us and tried to break into my sister's apartment while claiming that she was stalking TBSC on Facebook.**

**The SCPD claimed they took criminal reports for these incidents, but we don't trust they actually did until we see the reports in our hands. At Mission Garden, the SCPD often refused to complete criminal reports about crimes against us, misrepresented the facts to downplay threats, or outright denied us access to them.**

**This is a criminal conspiracy to deprive me and my disabled (homeless) clients of our civil rights.**

**It seems to be an attempt to interfere with me opening more federal law enforcement complaints and to interfere with ones which I have already opened. I fear TBSC will begin staking my disabled homeless clients like Kate Wenzell and Andrea Morgan. They are not at risk too, being especially vulnerable. Who will protect them from harm?**

Since local government and local law enforcement may be complicit as well as wishing me harm for my lobbying the U.S. Senate to have the FBI investigate them for fraud, crime, abuse of power, criminal violations of civil rights under color of law, I ask the U.S. Senate, the USDOJ and the FBI to safeguard me immediately by placing me in a local safe house guarded by U.S. Marshall's,

which should have been provided to me when the SCPD and the Santa Cruz City Council — connected to racketeer JSCO SVP Mari Tustin, a long time Santa Cruz Planning commissioner — endangered me by claiming to HUD's OIG that Mission Gardens was infested with teenage gangsters who were friends of fellow gangster Dax Lachica. I gathered public records proving he had been allowed to reside and return to Mission Gardens with the knowledge of the SCPD — my sister Patricia Colby witnessed Dax Lachica running from Carl Reimer's murder while the SCPD refused to acknowledge our witness testimony instead taking the testimony of Dax's friends and his mother Rory Lachica who all lied to coverup his involvement in the shooting.

Given the gravity and urgency of this situation, I ask that I be housed safely by Monday afternoon, December 22, 2014.

Thank you for your serious attention to this grave matter.

Sincerely yours,  
John E. Colby, Ph.D
