 Does Tom Cunniff post on topix with an Aptos isp ???
 Isnt that what the following article says ???
 Take Back Santa Cruz makes (death) threats against homeless advocate Dr. John Cohen-Colby
[https://www.indybay.org/newsitems/2015/01/01/...](https://www.indybay.org/newsitems/2015/01/01/)
 is the article saying that DBS/TMC is Thomas Cunniff ???
 There are two TBSC trolls who post on topix with an Aptos isp.....
 DBS has said many times he is a TBSC member and he uses an Aptos isp (the posts on the Sentinel as "TMC" and also posts on topix as "Get a job Colby/LOSER")
 AND
 Someone who uses the following names.... "The Truth Hurts" aka "Dim Sum" also posts on topix using an Aptos isp.....
 "The Truth Hurts" used to spam topix with the link to the TBSC website and also threatened to punch Pat Colby in the face on topix.....
 Also, as "Phyllis" one of these two TBSC trolls posts from an Aptos isp lies about the death of the Colbys mother, saying Pat caused it, which has been proven to be a lie.....
 Those are the only two people who post on topix with an Aptos isp, and they both happen to be TBSC members.....
 I used to think "The Truth Hurts" was Eric Rowland because he delends Jim Spring a lot.....
 DBS/TMC has said he is in his mid 50s and so is Tom Cunniff.....
 The full name of Thomas M Cunniff certainly matches up to the initials "TMC".....
 And there is a photo of Tom and his VW van on his Facebook page.....DBS sure talks about his VW van a lot.....
 DBS/TMC has said his brother is a contractor and John Cunniff is a contractor in Santa Cruz.....
 And Tom Cunniff's partner Julia Feldman is a probation officer.....DBS has always said his girlfriend worked in law enforcement.....
 Now here is the kicker.....
 I found the address of Tom's Aptos home and a simple search reveals the property is the same size DBS/TMC said his Aptos property is and the home is the same square footage as DBS's.....
 What a coincidence!

I wonder what TBSC has to say about this...enquiring minds want to know!

These TBSC members..... Tom Cunniff, Eric Rowland, and Jim Spring....all have mountain biking in common, [and one](#) group that ties them together is the Mountain Bikers of Santa Cruz.

Jim Spring is involved in MBOSC, as documented in a Sentinel article, and Tom Cunniff and his brother John are mentioned in the following article about MBOSC.....
