The holidays are a joyous time for our community, but as we celebrate the fellowship and good cheer of the season, we must not forget those who face the challenges of homelessness or reduced economic circumstances throughout the year. For more than 30 years, the Veterans in Santa Cruz have provided a hot, delicious Thanksgiving Dinner with all the trimmings to hundreds of our friends and neighbors in need. This year, Veterans For Peace, the Veterans Memorial Building Board of Trustees and Friends of Thanksgiving are hosting the Veterans Community Thanksgiving Dinner, prepared by local chefs, with decorations by the Girl Scouts and live entertainment by local musicians. We are asking our community to help make this a special event by donating some time or money to support the meal. Your generous donations will help turn a time of want and need into a celebration of joy and generosity.
