

WHERE'S THE WALK-IN WINTER SHELTER? **What Happened to the Warming Center?**

NO SHELTER OR SUPPLIES FOR HUNDREDS OUTSIDE

- ++ SCPD Chief Escalante's armed camp-trashers are regularly destroying homeless survival communities under the Camping Ban [MC 6.36] with no storage/shelter options.
- ++ Keeley & City Mangler Huffaker have no walk-in Winter Armory for the coming cold.
- ++ Massive funding is diverted to failed and brutal whack-a-mole police enforcement.
- ++ Those in their "oversized" vehicles are being driven out of the City with the Tier 3 RV shelter full; the Tier 2 program is unusable considering its cost to unhoused RV owners.
- ++ Wet cold winter weather demands emergency facilities for those outside.
- ++ Demand City Council divest from SCPD camp-demolition & the Gaza genocide..

END THE WARS AGAINST THE POOR AT HOME AND ABROAD !

STOP FUNDING ISRAELI BOMBING

WAR is a Homeless Issue

BILLIONS WASTED on Ukraine and Israel

MILLIONS OF REFUGEES Created by the War

- ++ Demand Democratic Party candidates divest locally from anti-homeless police raids and nationally from Israeli s.o.p. massacre murder of civilians Israeli and Palestinian.
- ++ Local Shelters are temporary, restrictive, inadequate & lead back to the street.
- ++ For the most the local "pathway to housing" is a myth; winter survival the priority.
- ++ SCPD's new Sleeping Ban (MC 6.36) like the Israeli Gaza invasion is a form of terror to drive out homeless refugees wherever they camp for protection and community.
- ++ Stop creating new local refugees and hurting those outside.

NO SHELTERS AND STORAGE AVAILABLE FOR THE MOST OUTSIDE
