

# Is “Housing Matters” Really “Funding Matters”?

## Is HM Colluding with City Repression?

- Why has **HM** not opposed the new Camping Ban (the CSSO) and the RV Ban (OVO)?
- How many **HM** clients are in stable housing and at what cost?
- What percentage of **HM** funding actually gets diverted to buildings & salaries?
- Did **HM** refuse to resume daily food services cut off in 2015 to hungry homeless folks?
- Has **HM** been silent as survival camps everywhere were destroyed without alternatives?
- Has **HM** become a fenced-off prison-like place with guard gates & monitored “clients”?
- Did **HM** assist police in creating a 24-hour No Parking zone on Coral St.?
- Was **HM** silent as police moved to shut down **Food Not Bombs** ?
- Did **HM** say nothing as police drove survival campers out into the rain?
- Did **HM** oppose illegal “no parking at night” signage criminalizing those in RVs?
- When will **HM** resume open services to the broader homeless community?

**Ask these questions. Demand **HM** boss Phil Kramer answer. Call 458-6020**

## Same Old Questions Deserve Real New Answers

### Has the Gaza Genocide Taught Us Nothing?

### Services Not Sweeps is the Essential Issue!

- When will **Housing Matters [HM]** on Coral St. open its books and answer questions?
- When will **HM** stop being **Funding Matters** and resume serving our homeless refugees?
- Will **HM** actually include real homeless people who can speak to real homeless needs?
- Why has **HM** remained silent as survival camps were destroyed on its doorstep?
- Why hasn't **HM** publicly opposed local and state anti-homeless laws as done elsewhere?
- Will **HM** demand City Council have real homeless involvement in June Budget Hearings?
- Will **HM** join the Progressive community fighting cancerous big building gentrification?
- Will **HM** admit it's no “pathway to housing” but a revolving door to the street for most?
- Will **HM** actively provide decent sanitation and water to the survival camps outside?
- Will **HM** come clean and restore its services to the majority of those outside?
