to receive your personal link to participate in this event online

The November 2024 election season is upon us amid growing war, environmental degradation, corporate domination, and a general trend toward authoritarianism and fascism. How can socialists use the election to precipitate change?

Our speakers represent three different left perspectives on who to vote for. Join them for a discussion about three of the candidates for President on the California Ballot and why our choices matter.

Jesenia Madrigal – Working with the Peace and Freedom Party and with the Claudia and Karina2024 campaign in Sacramento

Sean Dougherty – Former Green Party Congressional candidate (CA19), current Stein/Ware 24 CA liaison

Max Elbaum – Advocate of “Block and Build: A Left strategy in the MAGA era”; author of *Revolution in the Air* (2018, Verso Press)

*Organizations listed for identification purposes only.

Please help us celebrate our return to the Starry Plough by ordering food and/or drinks.

Please arrive early to place your order so that you do not miss any of the presentations.

An open discussion will follow the presentations.

We will be accepting donations which will be divided among the sponsoring organizations.

This event is sponsored by the Alameda County Peace and Freedom Party, the Alameda County Green Party and Bay Area System Change Not Climate Change.
